Jeppesen's Private Pilot Maneuvers Software

Now Through July 2006 - Only \$69⁹⁷ - Save \$21⁰⁰ Off the Regular Dealer Price

Jeppesen Private Pilot Maneuvers Software is a one-of-a-kind learning experience! This 5 CD Set provides a combination of video, animation and interactive learning for students and private pilots alike.

From Pre-Flight Inspection to Take-Offs and Landings, students can learn each of the maneuvers step-by-step with an instructor as their guide. It's the perfect addition to Jeppesen's Private Pilot Manual.
